SPEAKERS:

Amber & Jason Wick 20K Executive President's Team Members

Amber and Jason Wick both used to work 70 hours a week as corporate engineers and as a result had little time to spend together. They wanted more quality time with each other – and the freedom to travel the world. After they discovered Herbalife through a friend, they decided to become Independent Distributors. Today, they are so successful with their business that they've replaced two engineering salaries with their Herbalife income. "Now we work this business full time together," Amber says. "Thanks so much, Herbalife!"*

Brook Kirwin President's Team Member

"I became an athletic trainer to help pay for college, but had no time to work out. After discovering Herbalife, I used the products, lost 40 pounds and went from a size 14 to a 6. After two years as a part-time Herbalife Independent Distributor, I earned more money than I did as a trainer. I quit training to focus on my business, and now I make an amazing income. No more student loans! Two athletes I trained are in my downline – a World Team member and a Supervisor. How cool is that!"**
