### SPEAKER:

#### Michael Katz

**30K Sr. Executive President's Team Member**

The financial hardships Michael Katz and his wife Debi were experiencing during the most difficult time of their lives made them think they could never afford to get married. "I lost my job due to corporate downsizing, while Michael was forced to take pay cuts in his real estate job," says Debi, who used to work as a sales manager. "We were in a desperate situation." Fortunately, they discovered the answer to their prayers, after a friend of theirs lost weight with the help of Herbalife® products. "Now we're in control of our finances and schedule," she says. "Our philosophy," Debi adds, "is to 'Pay it forward.' When you pay something forward, you always get more in return, and we receive daily! Our lives are truly blessed helping others around the world."\*

#### Mark Matika

**15K Executive President's Team Member**

Even though it was a very difficult decision to make, Mark Matika knew that he had no option but to declare bankruptcy. "Our debts kept piling up, and we lost our house," he says. The urgency he had to earn some money made him look for solutions, until one day he came across an ad about Herbalife. As soon as he finished his personal research on the products and the Marketing Plan, he knew he'd found the answer to his prayers. "I worked my Circle of Influence, threw shake parties and attended the local Herbalife Opportunity Meetings," he recalls. "Also, I think it was positive that I traveled to all the trainings and big events, and focused on personal development."\*
