SPEAKERS:

Blake Morgan
Chairman's Club Member

At 17, Blake Morgan dropped out of school and was earning \$300 a month mowing lawns when he first heard about Herbalife. "I got the number of an Independent Distributor and called right away," recalls Blake. "But when he found out how young I was, he referred me to another Distributor. I guess he didn't think I could be serious at such a young age. In fact two Distributors turned me down three different times." Blake continues, "I immediately started using the products, lost 12 pounds and was convinced the products worked."

Laura Meister
Millionaire Team Member

Laura Meister was a broke self-employed massage therapist. She'd found herself living in her car one too many times and realized it was time to make a change. She met her Sponsor at an early morning networking event, and since then her life has never been the same. After Laura began using Herbalife® products and lost 21 pounds, she decided to launch her own business. "My life is incredible now," she says. "I wake up every day and appreciate how my team is changing lives and having a huge impact on our community."
