### SPEAKER:

**Dan Waldron**  
Chairman's Club Member

Prior to becoming an Herbalife Independent Distributor, Dan Waldron was a furniture repairman who, like many Distributors, was initially skeptical of the Herbalife opportunity. Even so, he realized he had nothing to lose by giving Herbalife a shot. Dan helped Maria Sosa, a member of his organization, to achieve President's Team, and as a result, he reached Chairman's Club. For Dan, achieving this new level of success has been a return to the basics. "The company has stuck to the basics created by Mark Hughes, but Michael O. Johnson and his team have taken this brand to the next level," says Dan. "Now it's easier than ever for all of us to build our business successfully!"\*

**Annie Bloomer**  
Millionaire Team Member

Before Herbalife I was an overweight college student looking for my dream career. I was looking for weight loss and through a friend at the gym was introduced to the products. I got started on Herbalife's Advanced programs and lost 25 pounds and went from a size 12 to a size 4. With such amazing results my friends started asking how they could get the same results and I was off and running with my Herbalife business. After 2 years in business, I feel great and Herbalife has allowed me to build that dream career I was looking for.
